

The SDGA - Sanford Golf Series

Purpose: The purpose of the SDGA - Sanford Golf Series is to provide quality and affordable competitive opportunities for junior golfers from South Dakota and our region who want to play college golf.

Format: Regular season fields will be limited in size (78 max), played at excellent venues, and the courses will be played from appropriate lengths for college golf.

Events: Five regular season one-day events. The top point leaders from the regular season will earn spots in the 36 player Series Championship at Sutton Bay on July 30. The top point leaders will also receive an invitation to the Sanford Golf Championship, a two-day event on August 5-6 in Sioux Falls.

Eligibility: Invitations will be extended to a select number of high school players in grades 10-12 from South Dakota based on past competitive performance. If there are spots remaining, other players will be able to apply for membership and their applications will be evaluated based on past competitive performance. Each winner of the 16-18 age division of a regular SDGA Junior Tour event becomes eligible to participate in one event in the Series, with the potential to earn permanent status based on their performance.

Fees: Membership is \$99 and includes membership in the SDGA Junior Tour (a \$49 value). Members are eligible to compete in the SDGA - Sanford Golf Series events and the 23 SDGA Junior Tour events. Entry fees are \$40 for SDGA - Sanford Golf Series events and \$10 for SDGA Junior Tour events.
